Community is the commitment we make to each other

When a community is strong, it's more than a collection of streets and buildings. It's a place that nurtures and helps its residents thrive. That's what happens when people share the commitment to make things better together. That's why we're proud to sponsor The Urban League of Broward County's Red Gala.

Thank you for making our community
a better place to live and work.

At JM Family Enterprises, our story begins with great people. We take pride in creating a diverse workplace with associates who inspire action and create impact in business and in the communities where we live and work. That's what we do across our company, and it started with our founder Jim Moran in 1968.

Today, our strength in business is matched by our commitment to giving back across three focus areas: Empowering Families, Promoting Education and Embracing the Environment. And, with our nonprofit partners and the support of more than 4,700 associates companywide, we are driven to create an impact now and for the road ahead.
