INVESTED IN COMMUNITIES THAT POWER US

It's one thing to do business in the U.S. It's another to be invested in its future. A future that can be thoughtful, prosperous, and smoke-free.

We don't sell traditional cigarettes in the U.S. Instead, we're focused on purposeful innovation—offering legal-age adults who smoke a better path ahead.

We're invested in science. Delivering innovative, science-backed, FDA-authorized smoke-free products.

We're invested in responsibility. Committed to ensuring our products are only for adults 21 and over with strict age verification and responsible marketing practices.

We're invested in community. Since 2022, via community and national partnerships, we've granted over \$25 million to organizations supporting military veterans and their families, disaster relief, and economic empowerment.

Because our investment in America starts right here in Florida.

Jody Hill Live Productions presents the Deep Fried Funk Band!

High energy, powerful, vitality, proficiency.....words that simply grab the soul of South Florida's most musical production and versatile "LIVE BAND". Deep Fried Funk Band has risen to be the demand choice for many celebri- ties and private events. The band offers a combination of music for the young at heart and mature audiences.

Their performances are characterized by a professional sound, extensive repertoire and unstoppable grooves.

One of the most sought after Drummers of this Generation deftly playing any genre, David "Jody" Hill possessing infinite talent maintains his status in the industry as "a force to be reckoned with!"

Jody toured with the famous R&B artist, "The Clean up Woman", Betty Wright, completed 4 successful tours with the disco king himself, KC and the Sunshine Band, and became one of the most requested drummers to perform and tour. He then earned himself 3 Grammy nominations with Joss Stone for the album "Mind Body and Soul", where his God-given talent landed him even more gigs and exceptional opportunities.

Television appearances include: The Craig Kilborn Show, PBS Disco Special, The Today Show, The Ellen DeGeneres Show, The Queen Latifah Show, and local South Florida stations: Channels 4, 6, 7, 10, and 33.

Jody is the C.E.O and founder of his band Deep Fried Funk Band which is organized with the concept of perform-

ing for local, national, and international artists. Deep Fried Funk Band has performed the White House, American Black Film Festival, the 2012 "Jazz in the Gardens" and with The Houston Symphony Orchestra where once again Jody was commissioned to be the Music Director for Gloria Gaynor, thus quickly gaining the attention of the media and making the morning newspapers.
