FRINGE BENEFITS

HIDE & Seek

Cowprint, pony hair and hide-inspired textures get a glamorous makeover. Think bold prints, luxe textures and unexpected pairings that make Western feel decidedly runway.

HIDE & SEEK

A woman with dark skin is seated on a white rectangular pedestal. She is wearing a light blue, double-breasted suit jacket with wide lapels and matching wide-leg trousers. Her left leg is crossed over her right. She wears a large, wide-brimmed light blue hat with a matching band. Her accessories include a multi-strand necklace, a bracelet on her right wrist, and rings on her fingers. She is looking directly at the camera with a neutral expression. The background is a solid dark grey.

WELL *Suited*

Power dressing meets Derby glamour. For the woman who knows a great suit is always in season. Think impeccably tailored suits, bold color, statement hats and sophisticated accessories, polished, powerful and perfectly suited for a night at the races.

WELL SUITED

REIN IT *In*

Cinched, sculpted and ready for the winner's circle. Waist-defining formalwear takes center stage with corseted silhouettes, sculptural bodices, dramatic belts and figure-skimming gowns. A little structure, a lot of glamour, this is where the reins meet the runway.
